# Optional Accidental Death And Dismemberment Insurance

For Employees Participating In OEGB Plans

## About This Brochure

This brochure is designed to answer some common questions about the group Optional Accidental Death and Dismemberment (AD&D) insurance coverage offered by your employer to eligible employees through the Oregon Educators Benefit Board (OEBB) Group Policy. It is not intended to provide a detailed description of the coverage.

If you become insured, a group insurance certificate will be made available to you, containing a detailed description of the insurance coverage including the definitions, exclusions, limitations, reductions and terminating events. The controlling provisions will be in the group policy issued by Standard Insurance Company (The Standard) to OEBB. Neither the certificate nor the information presented in this brochure modifies the group policy or the insurance coverage in any way. If you have additional questions, please contact your human resources representative.

## Commonly Asked Questions

The following information provides details to give you a better understanding of group Optional AD&D insurance available from The Standard. Written in non-technical language, this is not intended as a complete description of the coverage.

### Am I Eligible For This Coverage?

To be eligible for the Optional AD&D coverage:

- You must be an active employee of an employer participating in the OEGB Optional AD&D insurance group policy.
- You must meet other eligibility requirements, included in the member definition of the group policy and as required and determined by OEGB.
- Your employer must have elected to make Optional AD&D coverage available to employees in your classification.
- You must not be a full-time member of the armed forces of any country.

**Note:** Early retirees who meet OEGB eligibility requirements may participate in the plan prior to age 65, provided the employer elects coverage for early retirees. Early retirees must apply to continue coverage within 60 days following retirement; otherwise, coverage will not be continued.

Please see your human resources representative for additional information on the definition of a member.

Provided you become insured, you may also enroll your eligible dependents, including your spouse/domestic partner and children who are eligible under the terms of OAR 111-010-0015.

### When Does My Insurance Go Into Effect?

The effective date of your coverage depends on when you become an eligible employee, when you complete your eligibility waiting period, if any, and when you apply.

Contact your human resources representative to determine the length of your eligibility waiting period, if any.

Coverage will be effective on the first day of the calendar month following the later of (a) the date you become an eligible employee and complete any eligibility waiting period, and (b) the date you apply, provided you apply prior to or within 31 days after becoming eligible and have served any eligibility waiting period, if required. If you do not apply within 31 days after becoming eligible, you may only apply during an OEBB annual enrollment period or with a Qualified Status Change as provided under OAR 111-040-0400.

For insurance applied for during an OEBB annual enrollment period, assuming the active work requirement is met, insurance becomes effective the first day of the plan year following the date you apply. For insurance applied for due to a family status change, assuming the active work requirement is met, insurance becomes effective the first day of the calendar month following the later of (a) the date you apply, and (b) the date of the family status change.

In every case, you must meet the active work requirement before your insurance becomes effective.

### What Is The Active Work Requirement?

Active work means performing with reasonable continuity, the material duties of your own occupation at your employer's usual place of business. You must be capable of active work on the day before the scheduled effective date of your insurance or your insurance will not become effective as scheduled. If you are not actively at work on the day before the scheduled effective date of insurance (including Dependent coverage), your insurance will not become effective until the day after you complete one full day of active work as an eligible employee.

### How Much Optional AD&D Coverage May I Elect?

Eligible employees may elect Optional AD&D coverage in units of \$10,000, from \$10,000 up to a maximum of \$500,000.\*

You may elect coverage for yourself or elect coverage for yourself and your spouse/domestic partner and/or eligible children:

- **Spouse/Domestic Partner:** Any multiple of \$10,000 up to \$500,000\*, but not to exceed the amount of your Optional AD&D coverage
- **Children:** Any multiple of \$2,000 up to \$10,000\*, but not to exceed the amount of your Optional AD&D coverage

\* Your *employer* may elect to limit the amounts available to the employees in your classification.

## How Much Is The AD&D Benefit Amount?

If you or your covered dependent has an accident while insured for Optional AD&D, including accidental exposure to adverse conditions, and the accident results in a covered loss, benefits will be paid as follows.

The amount of the AD&D insurance benefit for loss of life is equal to the amount of the person's Optional AD&D insurance in effect on the date of the covered accident. The amount of the AD&D insurance benefit for other covered losses is a percentage of the person's Optional AD&D insurance in effect on the date of the covered accident, as shown below:

Type Of Loss	Percentage Payable
Hand or foot	50%
Sight in one eye	50%
Speech	50%
Hearing in both ears	50%
Two or more of the losses listed above	100%
Thumb and index finger of the same hand*	25%
Quadriplegia	100%
Paraplegia	75%
Hemiplegia	50%
Coma	1% of the AD&D amount remaining after payment of any other AD&D insurance benefit for the same accident, paid monthly for up to 100 months

With respect to a hand or foot, loss means actual and permanent severance from the body at or above the wrist or ankle joint, whether or not surgically reattached. With respect to sight, loss means entire, uncorrectable and irrecoverable loss of sight. With respect to speech, loss means entire, uncorrectable and irrecoverable loss of audible speech. With respect to hearing, loss means entire, uncorrectable and irrecoverable loss of hearing in both ears. With respect to thumb and index finger of the same hand, loss means actual and permanent severance from the body at or above the metacarpophalangeal joints. With respect to quadriplegia, hemiplegia, and paraplegia, loss must be permanent, complete, and irreversible; quadriplegia means total paralysis of both upper and lower limbs; hemiplegia means total paralysis of the upper and lower limbs on the same side of the body; and paraplegia means total paralysis of both lower limbs. With respect to coma, loss means a profound state of mental unconsciousness with no evidence of appropriate responses to stimulation, lasting for at least 30 consecutive days.

\* This benefit is not payable if an AD&D insurance benefit is payable for the loss of the entire hand.

No more than 100 percent of the amount of Optional AD&D coverage in effect on the date of the covered accident will be paid for all losses incurred by the insured employee or dependent as the result of one accident.

Death will be presumed if a covered person disappears and the disappearance is caused by an accident that reasonably could have caused loss of life, occurs independently of all other causes, and continues for a period of 365 days after the date of the accident, despite reasonable search efforts.

### **Are There Any Limitations?**

The loss must occur due to an accident and independently of all other causes, within 365 days after the accident. Loss of life must be evidenced by a certified copy of the death certificate. All other losses must be certified by a physician in the appropriate specialty as determined by The Standard. The benefit payable is based on the amount of insurance in force on the date of the accident.

### **Will Insurance Benefits Be Reduced As I Grow Older?**

Coverage for active eligible employees will not reduce as the employee gets older. However, Optional AD&D insurance coverage for an early retiree will terminate shortly prior to the retiree becoming 65 years of age.

### **Are There Any Exclusions?**

AD&D insurance benefits are not payable for death or dismemberment caused or contributed to by:

- War or act of war, declared or undeclared, whether civil or international, and any substantial armed conflict between organized forces of a military nature
- Suicide or other intentionally self-inflicted injury while sane or insane
- Committing or attempting to commit an assault or felony, or actively participating in a violent disorder or riot

- Voluntary use or consumption of any poison, chemical compound or drug, unless used or consumed according to the directions of a physician

- Sickness or pregnancy existing at the time of the accident
- Heart attack or stroke
- Medical or surgical treatment for any of the above
- Boarding, leaving, or being in or on any kind of aircraft (except as a fare paying passenger on a commercial aircraft)

## **Are There Any Other Benefits With The Optional AD&D Insurance Coverage?**

The AD&D coverage includes the following benefits when an AD&D insurance benefit is payable.

### **Seat Belt Benefit**

The Seat Belt Benefit provides an additional AD&D insurance benefit if an insured employee or dependent dies as a result of an automobile accident while properly wearing and using a seat belt system. The Standard will pay a Seat Belt Benefit equal to the amount of the AD&D insurance benefit payable for the loss of life, up to a maximum of \$10,000.

### **Air Bag Benefit**

The Air Bag Benefit provides an additional AD&D insurance benefit if an insured employee or dependent dies as a result of an automobile accident for which a seat belt benefit is payable, the deceased was seated in the driver's or a passenger's seating position intended to be protected by an air bag system, and the air bag system deployed. The Standard will pay an Air Bag Benefit equal to the amount of the AD&D insurance benefit payable for the loss of life, up to a maximum of \$5,000.

### **Higher Education Benefit**

The plans for a child's higher education should not end with the death of a parent. The Higher Education Benefit helps to keep those dreams alive by reimbursing tuition expenses to your eligible children in the event of your accidental death. To be eligible, your surviving child must register and attend an institution of higher education on a full-time basis within 12 months after your death. The amount payable is the amount of the child's tuition expenses (excluding board and room, books, fees, supplies and other expenses) up to \$5,000 per year for four years after the date of your death as long as your child remains eligible (not to exceed a cumulative total of 25 percent of your Optional AD&D amount).

This benefit will be paid in addition to any other AD&D insurance benefit payable for the same accident. If you have no surviving child eligible to receive this benefit, it will not be paid.

### **Career Adjustment Benefit For You**

If you suffer a covered loss as the result of an accident, you may need to enter an education or retraining program. The Career Adjustment Benefit will pay the tuition expenses for retraining (excluding board and room, books, fees, supplies and other expenses) up to \$5,000 per year for three years after the date of your loss (not to exceed a cumulative total of \$10,000 or 25 percent of your Optional AD&D amount, whichever is less).

### **Career Adjustment Benefit For Spouse/Domestic Partner**

Your surviving spouse/domestic partner may need to make a career adjustment as a result of your accidental death. When this requires additional training, the Career Adjustment Benefit may help make this transition easier. The amount payable is the amount of the spouse/domestic partner's tuition expenses for retraining (excluding board and room, books, fees, supplies and other expenses) up to \$5,000 per year for three years after the date of your death (not to exceed a cumulative total of \$10,000 or 25 percent of your Optional AD&D amount, whichever is less).

This benefit will be paid in addition to any other AD&D insurance benefit payable for the same accident. If you have no surviving spouse/domestic partner, this benefit will not be paid.

### **Child Care Benefit**

If you die in an accident and your spouse/domestic partner incurs childcare expenses (for children up to age 13) as a result of working or training for work or increasing earnings, your spouse/domestic partner will be reimbursed for the cost of those childcare expenses, up to \$5,000 per year for three years after the date of your death (not to exceed a cumulative total of \$10,000 or 25 percent of your Optional AD&D amount, whichever is less).

This benefit will be paid in addition to any other AD&D insurance benefit payable for the same accident. If you have no surviving spouse/domestic partner, this benefit will not be paid.

### **Occupational Assault Benefit**

If, while you are at work, you suffer a covered loss due to an act of physical violence against you that is punishable by law and evidenced by a police report, an additional benefit will be paid to you. The benefit amount is equal to the lesser of \$25,000 or 50 percent of the amount of AD&D insurance benefit otherwise payable for the loss.

### **Public Transportation Benefit**

The Public Transportation provision provides an additional benefit in the event of your death as a result of an accident that occurs while you are riding as a fare-paying passenger on public transportation. In this situation, The Standard will pay the lesser of \$200,000 or 100 percent of the amount of your Optional AD&D coverage in effect on the date of the accident.

### Adaptive Home And Vehicle Benefit

The Adaptive Home and Vehicle provision pays an additional benefit in the event you suffer a covered loss as a result of an accident, and within 24 months after the accident you pay to have your principal residence or automobile adapted to reasonably accommodate your loss. The benefit amount is equal to the lesser of \$5,000 or 5 percent of the amount of the AD&D insurance benefit.

### How Much Will The Optional Accidental Death And Dismemberment Coverage Cost?
